Prep Time

Preheat your oven to 200°C. Fill and boil your kettle. Halve, peel and chop the **onion** into small pieces. Trim the **courgette** then halve lengthways. Slice widthways into 1cm thick pieces. Peel and grate the **garlic** (or use a garlic press). Zest and halve the **lemon** (see ingredients for amount).

Char the Courgette

Put a large frying pan on medium-high heat (no oil). When hot, add the **courgette** and cook until charred, 6-8 mins. Turn only occasionally - this will result in the **courgette** picking up some nice colour. Once cooked, season with **salt** and **pepper** then transfer to a bowl.

Start the Risotto

Heat a drizzle of **oil** in a large ovenproof pan on medium heat (if you don't have one, use a normal saucepan and transfer to an ovenproof dish later). Add the **onion** and fry until soft, 4-5 mins. Add the **garlic** and cook for 1 min, then stir in the **risotto rice**. Cook until the edges of the **rice** are translucent, 1-2 mins. Add the **cider vinegar**, allow it to evaporate, then add the **boiled water for the rice** (see ingredients for amount) and **veg stock paste**. Stir to combine and season with **salt** and **pepper**.

Grill the Cheese

Once your **risotto** is ready, remove from your oven. Preheat your grill to high. Stir the **lemon zest**, **courgette** and **walnut pesto** into your **risotto** (add a splash of **water** if needed). Season to taste if needed. Crumble the **goat's cheese** over the top of the **risotto** and grill until browned, 4-5 mins.

Bake the Risotto

Bring back up to the boil, then pop a lid on the pan (or cover with foil) and bake on the middle shelf of your oven until the **rice** is cooked and the **water** has been absorbed, 20-25 mins. Meanwhile, to make your walnut pesto, roughly chop the **walnuts** and finely chop a **quarter** of the **rocket**. Pop into a bowl with the **hard Italian style cheese** and **olive oil** (see ingredients for amount) then season with **pepper**. Mix together then set aside.

Finish and Serve

Meanwhile, pour a drizzle of **olive oil** into a medium bowl. Add a squeeze of **lemon juice** and season with **salt** and **pepper**. Mix together, then add the remaining **rocket** and toss to coat. Once cooked, serve the **risotto** in bowls with a handful of **rocket** on top.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
