Cook the Potatoes

Preheat your oven to 240°C/220°C fan/gas mark 9. Bring a large saucepan of **water** to the boil with **¼ tsp salt**.

Peel the **potatoes** and slice into thin rounds approximately 1cm thick.

When boiling, add the **potatoes** to the **water** and cook until just tender, 14-16 mins. **TIP:** The potatoes are cooked when you can easily slip a knife through, but be careful not to overcook them.

Once cooked, carefully drain in a colander and set aside.

Fry the Veg

Return your (now empty) pan to medium heat with a drizzle of **oil**.

When hot, add the **onion** and cook until softened, 4-5 mins, stirring occasionally.

Add the **mushrooms** and a little more **oil** if needed, then turn the heat up slightly and fry until browned, about 5-6 mins. Stir in the **garlic** and cook for 1 min more.

Meanwhile, pop the **carrots** on the middle shelf of your oven to roast until tender, 18-25 mins. Turn halfway through.

Finish the Prep

Meanwhile, halve, peel and thinly slice the **onion**. Thinly slice the **mushrooms**. Trim the **carrot**, then halve lengthways (no need to peel). Chop into roughly 1cm wide, 5cm long batons.

Pop the **carrots** onto a large baking tray. Drizzle with **oil**, season with **salt** and **pepper** then toss to coat. Spread out in a single layer, then set aside.

Peel and grate the **garlic** (or use a garlic press). Pop the **breadcrumbs** and **olive oil for the crumb** (see ingredients for amount) into a small bowl, then season. Mix together, then set aside.

Simmer the Sauce

Stir the **water for the sauce** (see ingredients for amount) and the **chicken stock paste** into the pan, then bring to the boil.

Stir in the **crema fraiche**, bring back to the boil again, then turn down the heat. Simmer gently until reduced by a third, 3-4 mins.

Once the **sauce** has reduced, taste and season with **salt** and **pepper**, then return the **chicken** to the frying pan.

Brown the Chicken

Heat a drizzle of **oil** in a frying pan on medium-high heat.

When hot, add the **chicken** and season with **salt** and **pepper**. Cook until browned all over, 8-10 mins. **IMPORTANT:** Wash your hands and equipment after handling raw chicken and its packaging. **TIP:** Cook in batches if necessary - you want the chicken to brown, not stew.

Once browned, transfer the **chicken** to a medium bowl and set aside.

Bake and Serve

Transfer the **chicken filling** to an appropriately sized ovenproof dish. Layer on the **cooked potato slices**, then sprinkle over the **breadcrumb mixture**.

Season with **pepper** and bake on the top shelf of your oven until golden brown, 10-12 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

Serve straight from the **dish** with the **roasted carrots** alongside.

Enjoy!
