Pop your uggies on, grab a blanket and snuggle up with a bowl of this rich, creamy, comforting curry. With golden cubes of paneer (a fresh cheese popular in India that doesn't melt and has a mild, milky flavour), spinach and sweet potato, this gently spiced dish is a delight from start to finish.

**Pantry Staples:** Olive Oil

## BEFORE YOU START

Our fruit and veggies need a **little wash** first! Along with basic cooking tools, you will use:

- **oven tray** lined with **baking paper** • **medium saucepan** with a **lid** • **medium frying pan**

### 1 BAKE THE VEGGIES

Preheat the oven to **220°C/200°C fan-forced**. Cut the **sweet potato** (unpeeled) into 1cm chunks. Thinly slice the **carrot** (unpeeled) into half-moons. Place the sweet potato, carrot, a **drizzle** of **olive oil** and a **pinch** of **salt** and **pepper** on an oven tray lined with baking paper. Toss to coat, then bake until tender, **20-25 minutes**. **TIP:** Cut the veggies to the correct size so they cook in the allocated time!

### 2 COOK THE RICE

While the veggies are roasting, add the **water (for the rice)** to a medium saucepan and bring to the boil. Add the **basmati rice**, stir, cover with a lid and reduce the heat to low. Cook for **10 minutes**, then remove the pan from the heat and keep covered until the rice is tender and the water is absorbed, **10 minutes**. **TIP:** The rice will finish cooking in its own steam so don't peek!

### 3 GET PREPPED

While the rice is cooking, finely chop the **brown onion**. Finely chop the **garlic** (or use a garlic press). Roughly chop the **coriander**. Cut the **paneer** into 1cm cubes and season with **salt**. Slice the **lime** (see ingredients list) into wedges.

### 4 START THE CURRY

In a medium frying pan, heat a **good drizzle** of **olive oil** over a medium-high heat. When the **oil** is hot, add the **paneer**, turning occasionally, until crispy and golden brown, **4-5 minutes**. Set aside on a plate lined with paper towel. Wipe out the frying pan and return to a medium-high heat with a **drizzle** of **olive oil**. Add the **onion** and cook until softened, **4 minutes**. Add the **garlic** and **mild North Indian spice blend** (see ingredients list) and cook until fragrant, **1 minute**.

### 5 FINISH THE CURRY

Add the **coconut milk**, **water (for the curry)** and the **salt** to the frying pan. Bring to the boil, then simmer, stirring occasionally, until thickened slightly, **8-10 minutes**. Add the **baby spinach leaves**, roasted **veggies** and the **paneer**. Stir until the spinach has wilted. Season with **pepper** to taste.

### 6 SERVE UP

Divide the basmati rice and sweet potato, spinach and paneer curry between bowls. Top with the coriander and **crushed peanuts** and squeeze over the lime.

## ENJOY!
